ABOUT ME

I'm a dedicated MERN Stack Developer, trained at Techpile Technology, with a solid understanding of building full-stack web applications using MongoDB, Express.js, React.js, and Node.js.

I focus on building responsive user interfaces, clean APIs, and writing clean, maintainable code. Currently working on real-world projects and preparing for full-time opportunities in web development.

EDUCATION

2021-2024 Bachelor of Computer Application → veer Bahadur Singh Purvanchal University Jaunpur

2018 - 2020 Inter → Shubhash Chandra Bose Academy Inter College IIM Road Lucknow
